

Holyrood Academy host Quicksticks Tournament

Holyrood Academy played host to a Quicksticks Hockey Tournament for its feeder primary schools on Thursday 1st December 2011, the fourth competitive sporting event held this term.

Taking part were 11 teams consisting of 66 Year 5 and 6 boys and girls. The tournament was played on the astro at the school.

A fantastic atmosphere was created by the large number of supporting staff, parents and friends - making the event a huge success.

Each team played 5 games with the eventual winners of the competition being Chard School. Chard School will now go forward to represent the Holyrood cluster in the South Somerset District Finals to be played next year.

The event was supported and officiated by young leaders from Holyrood Academy and representatives from Chard Hockey Club.

School Games Co-ordinator, Jason Hedaux, was particularly pleased with the massive take-up for this event, "encouraging competition amongst children is a focus for our work over the next 2 years."
